MBK Homes joined New Home Co. and TRI Pointe as a Best Place to Work in Orange County, Calif.

The company placed 7th on the 2016 Best Places to Work in Orange County. The county-wide survey and awards program was created in 2009 and is a project of the Orange County Business Journal and Best Companies Group. It was designed to identify, recognize, and honor the best places of employment in Orange County, benefiting the county's economy, workforce, and businesses.

"We are incredibly honored for being recognized for a third year in a row as one of the best places to work in Orange County," said Tim Kane, CEO of MBK Homes in a press release. "This honor is a testament to our committed team of employees who thrive under MBK's positive and nurturing culture."

The two-part process to determine winners consisted of evaluating each employer's workplace policies, practices, and demographics as well as an employee survey to measure the employee experience. The combined scores determined the top organizations and the final ranking. Best Companies Group managed the overall registration and survey process in Orange County and also analyzed the data and used their expertise to determine the final ranking.
